SAFETY DATA SHEETS

This SDS packet was issued with item:

078668379

The safety data sheets (SDS) in this packet apply to the individual products listed below. Please refer to invoice for specific item number(s).

078668353 078668361

SECTION I – Product and Company Identification					
Identity (As Used on Label and List)	EPA Reg. No. N/A	<i>NDC</i> # N / A			
Vet Classics ArthriEase-Gold Powder for Horses					
Distributed by:	Emergency Telephone Nu	umber:			
Vet Classics by Garmon Corporation	(888) 628-8783				
Address (Number, Street, City, State, and ZIP Code)	Telephone Number for Ir	nformation:			
27461 Via Industria, Temecula CA 92590	(888) 628-8783				
D :: 0/2017					

Revision: 8/2017

SECTION II - Composition/Information on Ingredients/ and(or) Hazardous Ingredients

THIS PRODUCT IS A READY TO USE PET FOOD SUPPLEMENT FOR HORSES. IT IS PACKAGED AND SOLD FOR USE BY THE GENERAL PUBLIC. IT DOES NOT CONTAIN HAZARDOUS INGREDIENTS. THIS IS A FOOD PRODUCT AND THEREFORE IS EXEMPT FROM HAVING A SDS*.

*In accordance with Occupational Safety & Health Administration Regulations (Standards - 29 CFR) PART 1910

This section does not require labeling of the following chemicals (1910.1200(b)(5)):

1910.1200(b)(5)(III) - Any food, food additive, color additive, drug, cosmetic, or medical or veterinary device or product, including materials intended for use as ingredients in such products (e.g. flavors and fragrances), as such terms are defined in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) or the Virus-Serum-Toxin Act of 1913 (21 U.S.C. 151 et seq.), and regulations issued under those Acts, when they are subject to the labeling requirements under those Acts by either the Food and Drug Administration or the Department of Agriculture;

TSCA: All ingredients are on the TSCA inventory or are not required to be listed on the TSCA inventory. Any substance listed as hazardous by the States of California, Florida, Illinois, Michigan, New Jersey, Ohio, Pennsylvania or Texas is described above if known present in regulated concentrations.

SECTION III - Physical/Chemical Characteristics					
Boiling Point	N/A	Specific Gravity (H2O = 1) @ 25°C	N/A		
Vapor Pressure (mm-Hg @ 70o F)	N/A	Melting Point	N/A		
Vapor Density (AIR = 1)	N/A	Evaporation Rate (Butyl Acetate = 1)	N/A		
Solubility in Water	Soluble	рН @ 25°C	N/A		
Appearance and Odor – Food					

SECTION IV - Fire and Explosion Hazard

Flash Point (Method Used)Flammable LimitsLELUELNot ApplicableNo DataNo DataNo Data

Extinguishing Media -

Will not support combustion. All recognized methods acceptable.

Special Fire Fighting Procedures - Keep containers cool and vapors down with water spray. Prevent runoff from entering sewers and public waterways. Wear SCBA in chemical fires.

Unusual Fire and Explosion Hazards -

Will not support combustion.

Health Hazards (Acute and Chronic) - Caution: Not generally considered an occupational hazard Signs and Symptoms of Exposure - Not determined Medical Conditions Generally Aggravated by Exposure - Not determined SECTION VII – First Aid Measures Emergency and First Aid Procedures: Eyes – Rinse eye with plenty of water. If irritation develops, call a physician. Skin – Rinse skin with plenty of water. If irritation develops, call a physician. Inhalation – Move person to fresh air. If breathing has stopped, qualified personnel should administer artificial respiration. Ingestion – Do not induce vomiting. Never give anything by mouth to an unconscious person. Rinse out mouth and have patient drink several glasses or water. Call a physician. SECTION VIII - Precautions for Safe Handling and Use Steps to be Taken in Case Material is Released or Spilled - Caution, slip hazard. Wipe up small spills with an absorbent material. For large spills, pick up with a vacuum or an absorbent material. Bece waste in appropriate container for disposal. Waste Disposal Method - Consult local, state, and federal regulations. Do not reuse empty container. Precautions to be Taken in Handling and Storing – Avoid skin and excessive eye contact. Should such contact occur, wash exposed area promptly. Store in a cool (under 100° F) dry location away from heat, sparks and open flame. Do not use around ignition sources such as heat, sparks, flame, etc. Do not smoke while using. Use with adequate ventilation. Other Precautions - Follow label directions carefully. Keep out of reach of children. Keep container tightly sealed when not in use. Do not contaminate water, food or feed by use or storage. Do not smallow. Avoid inhaling mist and vapors. SECTION IX - Control Measures Respiratory Protection (Specify Type) - Not usually necessary. Use with adequate ventilation. Use NIOSH/MSHA approved respirator if PELs or TLVs are exceeded. Ventilation: Local Exhaust							1		
Health Hazards (Acute and Chronic) - Caution: Not generally considered an occupational hazard Signs and Symptoms of Exposure - Not determined Medical Conditions Generally Aggravated by Exposure - Not determined SECTION VII - First Aid Measures Emergency and First Aid Procedures: Eyes - Rinse eye with plenty of water. If irritation develops, call a physician. Skin - Rinse skin with plenty of water. If irritation develops, call a physician. Inhalation - Move person to fresh air. SECTION XIII – Transport Information

Land Transport (US DOT): This material is not subject to the transportation regulations of DOT, ICAO, IMO, and the ADR.

SECTION XIV – Regulatory Information

This is a food product and is exempt from having a SDS.

SECTION XV – Other Information

Disclaimer of Liability

The information contained herein is, to the best of the originator or manufacturer's knowledge and belief, accurate and reliable as of the date of preparation of this document. This product is intended for use by households or users of Vet Classics animal products. It is not intended for commercial, institutional or industrial use. The purpose of this SDS is to provide information to manufacturing, warehouse, transport and emergency response personnel concerned with the making, shipping, handling, storing or cleanup of relatively large quantities of this product. Alteration of its composition or characteristics by concentration, evaporation, mixing with other substances, or other misuse may present hazards not specifically addressed herein and which are beyond the control of the manufacturer or distributor are disavowed. These data are offered in good faith as typical values and not as product specifications. No expressed or implied warranty is hereby made. The data and recommended industrial hygiene and safe handling procedures are believed to be generally applicable and are obtained by testing and from available scientific and safety sources. This product should be transported and stored following precautions declared on this SDS. This SDS is to be used only for this product. Upon shipment of this product from manufacturer's warehouse utilizing transport not owned or operated by manufacturer, the conditions of handling, storage, use and disposal of this product are beyond control of manufacturer and may be beyond manufacturer's knowledge. For this and other reasons, manufacturer assumes no responsibility and expressly disclaims liability for loss, damage, fines or other expenses arising out of, or in any way connected with, handling, storage, use or disposal of the product employing unsafe or unlawful practices.

SECTION II - Composition/Information on Ingredients/ and(or) Hazardous Ingredients

THIS PRODUCT IS A READY TO USE PET FOOD SUPPLEMENT FOR HORSES. IT IS PACKAGED AND SOLD FOR USE BY THE GENERAL PUBLIC. IT DOES NOT CONTAIN HAZARDOUS INGREDIENTS. THIS IS A FOOD PRODUCT AND THEREFORE IS EXEMPT FROM HAVING A SDS*.

*In accordance with Occupational Safety & Health Administration Regulations (Standards – 29 CFR) PART 1910

This section does not require labeling of the following chemicals:

1910.1200(b)(5)(1II) - Any food, food additive, color additive, drug, cosmetic, or medical or veterinary device or product, including materials intended for use as ingredients in such products (e.g. flavors and fragrances), as such terms are defined in the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.) or the Virus-Serum-Toxin Act of 1913 (21 U.S.C. 151 et seq.), and regulations issued under those Acts, when they are subject to the labeling requirements under those Acts by either the Food and Drug Administration or the Department of Agriculture;

TSCA: All ingredients are on the TSCA inventory or are not required to be listed on the TSCA inventory.

Any substance listed as hazardous by the States of California, Florida, Illinois, Michigan, New Jersey, Ohio, Pennsylvania or Texas is described above if known present in regulated concentrations.

SECTION III - Physical/Chemical Characteristics				
Boiling Point	N/A	Specific Gravity (H2O = 1) @ 25°C	N/A	
Vapor Pressure (mm-Hg @ 70o F)	N/A	Melting Point	N/A	
Vapor Density (AIR = 1)	N/A	Evaporation Rate (Butyl Acetate = 1)	N/A	
Solubility in Water	Soluble	рН @ 25°C	N/A	
Appearance and Odor – Food				

SECTION IV - Fire and Explosion Hazard

Flash Point (Method Used) Flammable Limits LEL UEL
Not Applicable No Data No Data

Extinguishing Media -

Will not support combustion. All recognized methods acceptable.

Special Fire Fighting Procedures - Keep containers cool and vapors down with water spray. Prevent runoff from entering sewers and public waterways. Wear SCBA in chemical fires.

Unusual Fire and Explosion Hazards -

Will not support combustion.

SECTION XV – Other Information

Disclaimer of Liability

The information contained herein is, to the best of the originator or manufacturer's knowledge and belief, accurate and reliable as of the date of preparation of this document. This product is intended for use by households or users of companion animal products. It is not intended for commercial, institutional or industrial use. The purpose of this MSDS is to provide information to manufacturing, warehouse, transport and emergency response personnel concerned with the making, shipping, handling, storing or cleanup of relatively large quantities of this product. Alteration of its composition or characteristics by concentration, evaporation, mixing with other substances, or other misuse may present hazards not specifically addressed herein and which are beyond the control of the manufacturer or distributor are disavowed. These data are offered in good faith as typical values and not as product specifications. No expressed or implied warranty is hereby made. The data and recommended industrial hygiene and safe handling procedures are believed to be generally applicable and are obtained by testing and from available scientific and safety sources. This product should be transported and stored following precautions declared on this MSDS. This MSDS is to be used only for this product. Upon shipment of this product from manufacturer's warehouse utilizing transport not owned or operated by manufacturer, the conditions of handling, storage, use and disposal of this product are beyond control of manufacturer and may be beyond manufacturer's knowledge. For this and other reasons, manufacturer assumes no responsibility and expressly disclaims liability for loss, damage, fines or other expenses arising out of, or in any way connected with, handling, storage, use or disposal of the product employing unsafe or unlawful practices.
